**Subject:** IRIS web text (revised)  
**Attachments:** Text for Redesigned IRIS Website\_8-31\_Vince.docx

Vince,

Just wanted to let you know that I dropped off a paper copy of the revised IRIS web text with you. Attached is also a Word file. If you could provide comments this week, that would be terrific. Feel free to feed me pages as you complete them.

**Norm** – I'm ccing you because there's a section on the redesigned IRIS web site that's a placeholder section for the multi-year plan. I don't know if we can discuss the multiyear plan on the web site yet (or by the time we launch near the end of Sept). Suggestions for text or how to handle would be appreciated.

# Deliberative Process / Ex. 5

Let me know if you have time to discuss this week.

I've flagged comment bubbles for IRIS mgt in red, and ones for Maureen in yellow.

I'll check in with you all this week to see about getting input. I'm keeping the distribution list somewhat limited, but feel free to let me know who else to include in this round.

Last thing... for those who want to go to the staging site, see link below. FYI, the I've edited the attached Word file, but accepted all changes so it would be easier to read. The staging web site text has not been updated yet consistent with the Word file.
